Hello Cairo and Luis,

At the last BLQ BID board meeting the topic of illegal dumping and street trash services was brought up again.

I was requested by the board to look into coordinating efforts with Council Districts 1 and 10 regarding the possibility of having a series community meetings with legislators, residents, small business operators and property owners about what can be done to alleviate illegal dumping and the increase of trash issues on the Boulevard.

Can we plan on having a meeting to discuss the details within the next couple of weeks? My schedule is pretty flexible.

Shoot me a couple of dates and times so that we can make this happen.

Sincerely,

Moises Gomez
